Dear Grant Area Chamber Board Members:

Thank you for purchasing flag brackets and American flags that will be placed throughout the City. The City has been focusing hard on improvements to our business district and believes that this project the Chamber has promoted will further enhance the community. By promoting a beautiful, inviting and inspiring business district you have not only done so much to help the Chamber and businesses, but the image of the City and the community as a whole.

Sincerely,

Terry Fett
Mayor
